

# *drift*

an edition of found texts

Andrew Hurle 1995/2020

*drift* is a collection of discarded texts collected from urban footpaths and city parks. The texts have been scanned and treated in ways ranging from photographic reproduction to interpretive reconstruction, depending on the specific qualities of the original.

In many cases the literal content of the message is carefully transcribed and typeset. This is often done so as to preserve the syntax of the original message (keeping line breaks and word spacing etc.) but sometimes - especially with longer texts - it is set as regular, fluid copy.

The incentive to transcribe was initially to satisfy a curiosity about what was being said in the message itself: to separate it from the crumpled paper and shaky script that makes reading difficult. My aim was to clarify, not by means of summary or reduction, but by drawing the message out and insisting on its literal description. In some cases doing so makes clear what the writer has meant to communicate, while in others it reveals a discrepancy or slippage between what they have said and what they have meant to say.

As well as distilling the message from the material 'noise' of its substrate, transcription also separates it from the expressive connotations of manuscript

style. Typesetting brings back a stylistic inflection and subjects it to creative interpretation - generally aiming for a congruity with the tone and meaning of the original. When successful, typesetting imparts 'personality' to the message - restoring to it a new and idealised material body.

The transcriptions are sometimes placed alongside the transformed shape of their original substrate (a post-it note, notebook page, ruled sheet etc.). This shape is often reduced in detail to a graphic abstraction. The textual content of the message itself is sometimes included in this transformation, abstracted to an asemic graphic form. In some cases, especially where the text has originally been typewritten or where it has been embellished with para-literal markings, it is reproduced photographically, without any alteration.

The title of the collection comes from the fact that I discovered the first notes where they had been blown by wind against the fence of a large cemetery. Drift-net fishing came to mind - with the wind imagined as a kind of ocean current and the fence a net that snagged orphaned messages.

66 pages are reproduced here, from a total of 160 in the printed version.

(Re enclosed correspondence.)

I would appreciate it,if you could sign below,to enable  
the Mildura Base Hospital to forward to me,a summary of your (late)  
Father's Medical History,please.

When your brother William visited (once),your Father was  
(supposedly) in a Coma.Aunt Gladys also told me,Aunt Eunice had  
"Come all the way from Bendigo, and Dad was in a Coma." Doubt have  
I none,Aunt Eunice was being "groomed" (THEN),for your Father's  
final solace,for a distant distressing memory - ACT.

The inference there-in ( "IF," TRUE ),alludes to the  
distinct probability,of your Father,being able to plan,in advance.

Dear nice supportive Officers at the  
Fitzroy Station,

25 years ago, I had my worst mental  
breakdown. I thought I ~~had~~ had the brains  
to become President of the United States  
and save the world - be another John F.  
Kennedy. At that time, he was regarded  
as a great and good man - handsome,  
charismatic, dashing - concerned for the  
American people and the American way,  
and ~~end~~ concerned for the plight of  
the peoples of the world.

One afternoon in the second half of  
1986, I was lying-on lieing on my bed  
in my room at Osborne House. I confess I  
fantasied and imagined Senior Constable  
Jenny Luther holding me like a mother  
holds her ~~her~~ little boy.

**Monday 15th** feel up + down. Don't know if its the jack & jills or Bob hope but I dont feel well. Went to AA tonight. Good meeting. Leave everyone alone and worry about you. Didn't come back here to make friends.

**Tuesday, saw Michelle for case plan. Got involved in someone else's shit and lost respect for him. I am keeping to myself.**

**Sticking to regime, 120 done 10val, 5 mog night.  
Some real dicks in here at moment, using and  
carrying on.**

I feel bitter about family friends. Remember why I came back here, I couldn't survive out on my own. Priorities are all fucked up. Fuck rent, food, as long as I had some choot I felt safe, but paranoid and uing on top of done, waste of money. I'm now 5 days off dope. Its not as hard as I thought, I've even got money left over from cheque. Won't ring family for a couple of weeks and when I do keep it short, relaxed and not mention money. Don't be too extreme. I go from one end of the scale

to the other. There is a difference between keeping to myself and just ignoring people. I only get the shits when someone is out of it I think its called envy or jealousy. It does not look attractive at all. I feel judgemental and lonely. I feel like I need a close friend. Hang with dogs you get fleas. Eating well again. Keep it simple. I feel scared about life, I don't mean to get credit and not pay it back. Whats the worst thing that can happen I might die. What a blessing.

Called Truce today with the lads. Dose is starting to hold me, pne val, one mog. Still flued up. Still angry. Don't trust anyone here at the moment.

**Paranoid about this place still. I will learn to mind my own business from tonight onwards. 40 yo Adoles.**

I don't feel well at all. 1 week today Friday 19th March away from smoko. Keep to myself. I don't know why I have the need to get involved with other people's problems.

**I feel fucking angry.**

**Haven't rung family. They haven't rung me and if they wanted to they could get in touch with me. Fuck em.**

**SAT 21/3/99** Sera's aren't working either. 2 today  
3 tonight. Steve got 5 Bruce got 4. 16 left. This flu  
isn't from giving up (smoke?)

Nearly 1 week off the choof. Well done son. Woke up at 1:45 am sweating again. I will fuck the aphadorm off at night, not helping sleep. If this is the flu then fair enough but it might be blood test time. Something is wrong, headaches. Took a panadol at 2:06 am. Chamomile tea. Hang in there. I am sick of analyseing everything, I don't want to touch antibiotics.

**I will keep an eye on it till weekend. Blood test tomorrow maybe.**

If this is coming down off pills then fuck em.  
Still fued out dose working well, threw away  
Antenex and aphadorm. Saw Coorey today and got  
some sleepers. For nighttime.

**I havent slept in 8 days properly. Jack & Jills don't work. I am so tempted to get some choot and have a joint. But I only have \$45 to last me 5 or 6 days. Maybe next payday.**

with each other, they're really  
easy to be around. I  
just feel like he's a  
good guy. I don't know if  
he needs a good friend  
like me or if he needs  
somebody else. I don't know if  
I'm good enough for him. I  
just feel like we're meant  
to be together. I don't know if  
I'm good enough for him.  
I just feel like we're meant  
to be together. I just feel like  
we're meant to be together.

NOTES

Slept in Room 102 down  
right from right. Room had  
dick wood paneling, and  
was used as a rooming house.

I feel bitter about  
family friend. Remained  
why I came back here.  
I couldn't drive out  
or get away. Things are  
still very much the same.  
Food, etc., is still the same.  
Same check. I still sat  
but passed out because  
on top of dent, weight  
and my heart's disease  
and I thought I've eaten  
and many left over from  
the previous day. I took  
out a couple of weeks  
and was able to go home  
check-out day. I'm not  
certain now if I'll be  
able to go home or not.

NOTES

Began about this  
last still will leave for  
mid-morning. I have  
enough time to do  
I don't feel well at all  
much today because I  
keep going up and down  
know why I have they  
feel like I get more and  
more tired the more I do.  
they begin to feel bad so  
we will go back to  
the hotel and rest.

SAT DOWN here again  
and wrote a letter to  
myself. I am here  
set to be here till the  
train goes up.

Dearest Yildiz

My beatiful gorgerous cousin, I miss you so much. I know you must think I'm a bitch for not writting, ringing etc. as you know I was working for my brother 14 hrs a fuckin day. I quit about 3 weeks ago he fuckin gave me the shits badly.

Fuckin always complaining never thankful the dickhead. I have so much to tell you I just wish you were sitting across me so I could wrap my arms around you and just let it all out. I'm so fuck up inside that I can't even cry anymore. Everyone gives me the shits, my mum my dad, my brother everyone. They all knew I was going overseas still they want me to give them money, fuckin in everyway they fucked me up. I'd work like a fuckin dog come home and listen to their shit. I'm so sick of it man. I just wish you were here. Noone understands me man. In the last 4 months I have learnt so much about this fuck up family that I dont know where to start. Thats why I cant come anymore becuuse of them. I saved up 6½ thousand dollars right and then me and my sister quit cause of my brother, he's fuckin lost the plot.

Nobody in my family gives a shit about me, I swear they don't. Thats the reason I can't come. no one wants to help me out lend me money or anything. Thats why I thought to myself, I can go buy my ticket for \$3000 and just go but then I thought hang on with \$3500 spending money were the fuck am I gonna go?

& to top it all of I've never had this much money in my life & I probably never will because I want to go to school I don't want to work anymore I'm sick of it. So going overseas with \$3500 didn't make sense, you know what I mean, & if I had the type of parents were they would say Ilkem go don't worry we will send you money or we will help you buy a car I would have been there with you buy now. But no they don't give a fuck about me. all they are good for is telling me to go get fucked and shit. It makes me so angry Yildiz, I cant explain it I'm sick of crying, I swear sometimes I just want to die. I wanted to come so much that I cry evrynite but I can't. No one will support me, I know what your thinking that I'm just weak because no one supported you but I can't explain it.

My parents drive me crazy, they always gave me brother and sister money, never got them to pay for the phone bill or anything and they want me to. I suppose its hard for them to, don't tell anyone but were losing the house to the banks, don't tell anyone o.k. But thats not my fault you know. I never opened the car yard and fuck up, it was my brother and sister you know, not only don't they understand this they expect me to pay a price 4 there mistakes you know. Dad never gonna open me a business because he cant cause were broke but he did 4 my brother and sister you know what I mean. What I've learnt is that if I want anything in life I must work for it and earn it myself. I'm so depressed Yildiz I can't stop crying, I just wish you were here to give me a hug. Look I'm sorry if I upset you, and you probably didn't understand shit from this letter. Something only make sense face to face, so the story is I miss you and hope you have the best time of your life I cant wait see you please hurry back.

My sister getting married you must hurry  
I miss you

Love you ALWAYS

Dear Sir

My deepest regrets for the

sincerely  
appetite

Dear Sir

I really like your penis. I love the way it's so soft and squishy and yet so hard and thrusy, thrusy you ask? yes. That's right, thrusy as in THRUST. I like your pussy just as much it's gentle curves belies its voracious appetite and strong wilful grip. yum yum yum

Dear Mum

I'm happy to say that it's over, this time for good. We can't go on any more

I, Halla Jalloul was in the back seat behind the driver. We were coming out from a driveway. My brother-in-law (the driver) stopped at the driveway and was looking left and right to turn right. A van from the right stopped and had his left blinker on to turn into the driveway where we were standing. My brother-in-law moved a little because the van blocked his way and suddenly, another van from behind the first van took over the wrong way of the street and slid into our car. My brother-in-law stood where he was when the van滑ed into our car which our car had no damage and his car had only a black mark from the front bar.

- Traditionally Denims have always been promoted for work/recreation,
- In the past I've always worn denims at work as storeman, mechanic  
rubbish remover · junk collector · on horse & carts · motor trucks · bicycles  
motor bikes · rowing boats · fishing · hunting · bush walks & camping.
- New Denims should always be TOUGH and RESISTIVE to normal every-day  
abrasions/minor nicking. • The Aussie denims would always last me out  
1 to 3 years at a time, before discarding, some were gauranteed against  
tearing. • I now lead a retired life-style but I now find that the imported  
denims only last a week before the fibres come apart, - just riding around  
on met system for a week and the normal every day slight abrasions/nicks  
causes the material to quickly open out and disinigrate into large holes.
- Some of the disinigration appear strong but other parts just pull  
apart and disinigrate under light finger pressure (◎) as if rotten.
- I request refund on these denims as the material is not of the  
proper denim quality – strength – durability, material is faulty!

DEAR SIR/MADAM,

ON 21 01 92 AT 7 15 PM I RECEIVED A PHONE CALL FROM A SECURITY PERSON BY THE NAME OF STEVEN IN REGARDS TO A LETTER I SENT AT THE START OF THE NEW YEAR. DURING THIS PHONE CALL I WAS TOLD THAT I "COULD HAVE THE PANTS SUED OFF ME" BY ACCUSING DOMENIC NUCARA AS A THEIF. HOW? IN MY OPINION, I FEEL THAT DOMENIC NUCARA HAD ME TERMINATED BECAUSE HE IS TRYING TO HIDE SOMETHING. THE TERMINATION OF ME MADE SOME MINDS TO TEMPORARILY STOP THINKING OF HIM. I AM NO THEIF.

WHY IS IT THAT I AM CONSTANTLY BEING TOLD THAT I WAS NOT SACKED FOR THEFT, WHEN I RECEIVED A SUMMONS WITH THE WORDS THEFT AND STEAL ON IT? I AM ALWAYS BEING TOLD THAT IT WAS THE POLICE IDEA AND NOT SAFEWAYS. WELL WHY WERE THE POLICE CALLED IF IT WASN'T THEFT? DO YOU KNOW HOW IT FEELS TO BE TAKEN AWAY BY THE POLICE, IN THE BACK OF A POLICE VAN, THE WORD THEIF PLACED AGAINST YOUR NAME AND TO GET TO SUNSHINE COURT TO BE TOLD THAT "EVERYTHINGS BEING DROPPED, YOU CAN GO HOME"? MY LIFE IS RUINED. I HAVE LOST A YEAR OF MY LIFE, WHAT FOR? 90 CENTS. NO MATTER HOW MANY TIMES YOU TRY TO SAY YOU'RE SORRY, I WILL NEVER GET THAT YEAR BACK.

TOO GET STRAIGHT TO THE POINT, I HAVE GOT ABSOLUTLY NOTHING TO LOSE, SO IF YOU WISH TO TAKE LEGAL ACTION THEN BY ALL MEANS GO FOR IT. THERE IS NO SUCH PRICE TAG FOR ONES LIFE, IS THERE?

YOURS FAITHFULLY

P.S. ALL RESPONSE'S TO BE MADE IN WRITING.

I am no theif.
